

# DERMEDICS™ LIPO BALM

## Lipolytic Concentrate

Body wrapping + thermal blanket

**LIPO BALM** is an innovative lipolytic concentrate targeted on slimming treatments with real and visible effects.

### Overview

**Each professional therapy with this product gives following benefits:**

- Intensively detoxifies the skin and fat cells
- Reduces the volume of fat cells (slimming action)
- Reduces the appearance of orange peel skin (anti-cellulite action)
- Enhances skin vitality and fights against signs of fatigue
- Improves skin elasticity and firmness
- Tightens the skin and supports body contouring program

### Directions for use

- Unisex: for women and men, for skin of all types
- Anti-cellulite and slimming treatments
- Detoxifying treatments (fat cells detox)
- Firming and tightening body treatments
- Daily skin care and body shaping

### Where to apply

All skin areas with tendency to puffiness, topical obesity and cellulite (legs, buttocks, waist, forearms, back, shoulders, other).

Can be used also on face (if needed) – for example to reduce double chin.

### How to use

**Use as slimming concentrate**

for intensive therapies supported by newest procedures with warming-up effects, such as:

- Body wrapping (apply before and/or after)
- Thermal blankets (infrared blankets or carbon fibers blankets)

**Use as finishing balm**

on the end-stages of body treatments, such as:

- Post-manual massages
- Post-treatment care in slimming therapies with vacuum (Cellulogy™ and CelluDrain™), cavitation (ultrasonic liposuction), RF (radio frequency), laser lipolysis (LipoContour™) to extend lipolytic action

### Active Ingredients

Euglena Gracilis + Glaucium Flavum + Caffeine + Macrocystis Pyrifera + Xymenynic Acid

#### Packaging:

🧴 250ml - retail size

🧴 1000ml - professional
